

Esther Company

RELATE • EQUIP • ADVANCE • LAUNCH

A monthly gathering of women designed to connect and encourage, and a weekly training ground for those who want to dive in deeper.

RELATE - Women of faith meeting monthly to network, challenge, encourage, and pray for one another.

EQUIP - God's Word can change your life! Monthly messages that challenge a deeper life, dependence on God, surrender and obedience.

ADVANCE - Spiritual growth and leadership training available for those that want more. Classes offered weekly on subjects such as how to study the Bible, prayer ministry, how to lead/facilitate a study, spiritual gifts that empower and equip for ministry, and more.

LAUNCH - Sending out women of influence that want to make a difference!

To influence families, nations, and generations.

From Queen Esther to Deborah and others, women were used of God in mighty ways...

Swaying a king's opinion, preserving the lives of their people, leading them out of slavery, saving families from certain death, and boldly speaking as the Lord's prophetess.

The issue is not whether women have influence, but whether they will use their influence to further the kingdom of God.

Who knows, perhaps you've come into the kingdom for such a time as this. Esther 4:14

Meeting the third Saturday of the month at 9:30am at A Glorious Church
